## REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)  
000939-073600US

I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number 5,683,938, granted November 4, 1997 and for which a

reissue patent is sought on the invention entitled METHOD FOR FILLING CONTACT HOLES WITH METAL BY TWO-STEP DEPOSITION

the application of which

☐ is attached hereto.

☒ was filed on November 2, 1999 as reissue application number 09/434,736

and was amended on 9/8/2000, 3/5/2001, 7/13/2001, 12/13/2001, 7/16/2002, 9/27/2002, 9/18/2003, 12/8/2008.  
(if applicable)

I have reviewed and understand the contents of the above identified application, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/2B (or equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The reissue application seeks to broaden the scope of the claims, specifically, applicant seeks to replace the claim term "metal" with "conductive material".
